

## **Senior Technical Editor**

Location: Encinitas (*preferred*),  
Auburn, Palm Desert, Riverside, Irvine, Santa Barbara or Valencia

Category: Environmental Sciences

Dudek – one of California’s leading mid-sized environmental and engineering consulting firms – is growing. Our clients are the public institutions and private businesses that plan, design, construct and manage the communities in which we live. We help our clients provide reliable, efficient, cost-effective and environmentally-compatible infrastructure and associated natural open space.

We have offices throughout California and offer competitive salaries and excellent benefits.

### **Position Description:**

We are seeking an outstanding scientific/technical editor with substantial experience leading documentation projects, including experience managing large, highly complex, multidisciplinary technical documents and proven abilities to work with shifting priorities and deadlines, to join our publications team. The ideal candidate will also possess the interpersonal, organizational and professional skills necessary for negotiating schedules, planning work and maintain document quality.

### **Education and Essential Skills:**

M.A. (minimum) degree plus at least 6 years experience managing publications projects and/or leading publications teams is required. Experience working in government/contractor work environment or other applicable professional field is preferred.

Excellent general software skills with a proficiency in Microsoft Word and Acrobat Professional.
