

Senior Hydrogeologist

Location: Santa Barbara or Irvine

Category: Hydrogeology Services

Dudek – one of California’s leading mid-sized environmental and engineering consulting firms – is growing. Our clients are the public institutions and private businesses that plan, design, construct and manage the communities in which we live. We help our clients provide reliable, efficient, cost-effective and environmentally-compatible infrastructure and associated natural open space.

We have offices throughout California and offer competitive salaries and excellent benefits.

Position Description:

Dudek is seeking a senior hydrogeologist with experience in water supply. The ideal candidate will have established business relationships with water districts and municipalities in Southern California. This is an entrepreneurial position with responsibilities for generating and managing work with appropriate financial incentives.

Education and Essential Skills:

Must be a California Registered PG, CHG or PE

To apply for this position, use the online Apply Now form. You may also e-mail your resume and cover letter to humanresources@dudek.com attaching Microsoft Word or RTF files. Please reference the position, location and category in the e-mail.
